

COMPENSATION PLAN

\$26.00 EXPANDED PLAN

Effective November 1, 2008

\$25 Expanded Plan + \$1 Legal Shield

Welcome to Pre-Paid Legal! You are now in business for yourself, but not by yourself. As a Junior Associate, you can now advance to the other levels of the commission structure quickly to receive larger commission advances on your sales. As you advance, you will also receive override commissions on the sales made by people you bring into the business.

Advance Based on the Following:

Associate: Recruit one (1) new Junior Associate with membership (OR) advance when you have 25 membership counters.

At Associate level, your Cumulative Override Bonus Advance per sale from the following level would be:

- Junior Associate: \$25

Senior Associate: Recruit three (3) frontline associates with memberships (OR) advance when you have a total of 50 organizational membership counters.

At Senior Associate level, your Cumulative Override Bonus Advance per sale from the following levels would be:

- Junior Associate: \$75
- Associate: \$50

Manager: Help one of your downline associates become a Senior Associate (OR) advance when you have a total of 100 organizational membership counters. Remember—you must still have three (3) active frontline associates.

At Manager level, your Cumulative Override Bonus Advance per sale from the following levels would be:

- Junior Associate: \$100
- Associate: \$75
- Senior Associate: \$25

Director: Help three (3) associates in separate legs in your downline achieve Manager Level (OR) advance when you have a total of 250 organizational membership counters, with no more than 200 membership counters from 1 leg.

Qualified Directors will receive Breakaway Bonuses on up to 6 generations of qualified Breakaway Directors! (See your Success Guide for details.)

At Director level, your Cumulative Override Bonus Advance per sale from the following levels would be:

- Junior Associate: \$125
- Associate: \$100
- Senior Associate: \$50
- Manager: \$25

Executive Director: Become an Executive Director by having 75 membership counters in one month in one of three ways: 1) You can qualify with 75 personal membership counters. 2) If you have at least one (1) Director leg and three (3) personal membership counters, you may count up to 25 membership counters from ANY leg to reach your goal of 75. 3) If you have less than three (3) personal membership counters, you can only count up to 25 membership counters from your Director legs. You must have at least three (3) Director legs to qualify for this option.

Unlike the other levels, the Executive Director level requires a monthly qualification. You qualify in one month & receive the bonus on the next month's business.

As Director qualified for Executive Director, your Cumulative Override Bonus Advance per sale from the following levels would be:

- Junior Associate: \$157.50
- Associate: \$132.50
- Senior Associate: \$82.50
- Manager: \$57.50
- Director: \$32.50

Note: Cumulative Override Bonus Advances are paid to the first person in the upline at the higher level.

Commissions are paid based on membership sales, either personal sales or when a member of your team makes a sale.
